PIERRE MASONIC BUILDING BOARD

Brothers and sisters,

We have finally started working on the new bathroom. It has caused a lot of dust to be stirred up, so there will need to be some cleaning up when it is all said and done. AGE will be starting soon on the new retaining wall. Soon will need to get bids to have the roof redone. With spring around the corner, I would like to set a date to clean the grounds around the building, hopefully we can get some non-building board members to help. Thanks again to those who donate their time to working on our building to keep the up keep cost down.

CAPITAL CITY OES #39 Stardust

At our regular meeting in March we voted on the project for the Hertha Gross CommUnity Project for 2018. The committee recommended we give the \$500.00 to the Ft. Pierre School system along with our April coin march money, to help children who may not be able to pay for their lunches. This is wonderful opportunity to give to the community to see the area children are able to get good lunches which in turn help them learn throughout the day.

The Building Board is moving ahead with the handicapped bathroom addition on the lower level; Perry Anderson and Jon Gonsor are doing a lot of the construction with Darryl Bjerke doing the electrical work.

At our April meeting we will be honoring our 50 year members, we will have a great time and remember we have an elevator so the stairs are no problem anymore!

We will be initiating a new member at our May 8, 2018 meeting. Hope everyone can attend and that we have a good crowd to welcome her.

Come join us at our meetings; we have a good time and great fellowship. Our next meeting is Tuesday, April 10th at 7:00PM with fellowship in McClure Hall after the meeting.

Hope to see you soon!
